## CPA Question paper Pattern for MBU

We will conduct Camera Proctored Assessments (CPA) for next few months instead of IPA.

The question pattern will have both MCQ and coding questions. Total/Max marks awarded will be 100.

The below mentioned question pattern is the base for our Camera Proctored Assessment and the question pattern may have minimum variations in all assessments.

**Note:** CPA will be conducted through standard system setup you may have leveraged for NQT. Hence, there will be IRC & DRC checks planned before actual assessment. Please ensure following all guidelines shared for IRC & DRC.

**Note:** The below pattern is applicable only for MBU Tagged Candidates

MBU								
	MCQ (50 Min)						Coding (70 Min)
